Chief Justice Pays Tribute to the late Justice Boyd Carey

KINGSTON, Jamaica – Chief Justice, The Honourable Mrs. Justice Zaila McCalla O.J, on behalf of the Judiciary, expresses deep sympathy and sadness at the passing of The Honourable Justice Boyd Carey, and extends condolences to his wife Beverly, his children, grandchildren, friends and colleagues.

For many years, Justice Carey was one of the leading voices on access to justice and legal reform. He has rendered invaluable service in various capacities in the Justice System in Jamaica for over forty nine (49) years. Some of the Practice Directions he issued in his capacity as Registrar of the Supreme Court are still of relevance.

While serving as a Judge, he also tutored many students at the Norman Manley Law School and later at the Eugene Dupuch Law School in the Bahamas, thus imparting his wealth of knowledge, experience and expertise to many students who are now in practice at the public and private bar.

Chief Justice: “Justice Carey has contributed immensely to the building of jurisprudence in Jamaica and the Caribbean Region and will be remembered for his brilliant legal mind and sharp wit”

His record of achievements is a lasting legacy of the important contribution he has made to the administration of justice in our beloved country.
